TRYING TO GET YOUR NAME OUT TO COLLEGE COACHES BUT HAVING A TOUGH TIME WORKING OUT A SCHEDULE FOR THEM TO SEE YOU? HERE IS YOUR SOLUTION!

The Strike Zone is now offering a Video Recruitment Service. Your player video is a fantastic way to demonstrate in an engaging fashion all of the skills and talents you have worked so hard to develop in your baseball career until now.

Player videos are a useful tool for both players and coaches. Videos allow players to showcase specific skills. They also give coaches the opportunity to watch them at any time and more than once without ever leaving the office.
