

Rookie Development

DON'T FORGET "THE BIG GAME" ON October 21

Dear Parents,

To complete this session for all of our Rookie Development classes this fall, we plan to have an inter-squad baseball game, "The Big Game." Preparation for the The Big Game will be at TBA on Sunday, October 21st at 11AM. We would like all of the players, parents, and friends to be there for the big game and be part of our Strike Zone Fall League All Star Weekend. Players are asked to wear their Rookie Development T-shirt, cap, and baseball pants at all practices and games. If you do not, they are available at The Strike Zone.

We'll see you at The Big Game!

Parents can help coach at all practices and games. Your involvement is welcomed by all.

If you are available please contact Joe Siwa.

Thank you for your consideration and we appreciate you being a part of our fall baseball program. We would like to continue the program in November and December, so be on the look out for our upcoming classes.
